"Alertness of mind and the ability to visualize and present pointedly are Mr. Paul's to an extraordinary degree. . . . He has had personal acquaintance with many of the leaders who have shaped the later history of the Island Empire, and, since on so late a period biographical works are necessarily rare, has occasionally garnered information from conversations held with the more recent makers of England's history. His book is therefore unique."—*New York Times' Sat. Review.*

# HISTORY OF THE UNITED STATES

FROM THE COMPROMISE OF 1850 TO THE FINAL RESTORATION  
OF HOME RULE AT THE SOUTH IN 1877.

By JAMES FORD RHODES, LL.D., Litt.D.,

*Complete in seven octavo volumes, attractively bound in dark blue cloth.*

- I. The first volume tells the history of the country during the four year's futile attempt to avoid conflict by the Missouri Compromise, ending with its repeal in 1854.  
1850-1854
- II. The second volume deals with the stirring events which followed this repeal, through all the Kansas and Nebraska struggles, to the triumph of the then newly organized Republican party in the election of Lincoln in 1860.  
1854-1860
- III. The third volume states the immediate effect upon the country of Lincoln's election; covers the period of actual secession; the dramatic opening of the war, the almost light-hearted acceptance of it as a "three-months picnic"; and closes in the sobering defeat of Bull Run.  
1860-1862
- IV. The fourth volume follows the progress of the war in vivid discussions of campaigns, battles, the patient search for the right commander, and the attitude toward this country of the British government and people.  
1862-1864
- V. The fifth volume opens with the account of Sherman's march to the sea. The adoption of the Thirteenth Amendment, Lincoln's assassination, Johnson's administration, and the state of society in the north and south at the end of the exhausting war are fully treated. The volume ends with an account of the political campaign of 1866.  
1864-1866
- VI. The sixth volume considers the enactment of the Reconstruction Acts and their execution; the impeachment of President Johnson, the rise of the Ku Klux Klan, the operation of the Freedman's Bureau, the ratification of the XIVth and the passage of the XVth Amendment, are among other topics in the volume.  
1866-1872
- VII. The seventh volume begins with an account of the Credit Mobilier scandal, the "Salary Grab" Act, and describes the financial panic of 1873. The account of Reconstruction is continued with a careful summing up, and the work ends with an account of the presidential campaign of 1876 and the disputed Presidency.  
1872-1877

The set in cloth, \$17.50 ; half calf or morocco, \$32 ;  
three-quarter levant, \$40.
